

Surels Update Mission Letter

October 2008

Greetings in the name of our precious Lord!

We have our visas, we are packing, and our airline tickets show us departing on Thursday, Oct. 30 for Cape Town, South Africa. We are looking forward to arriving and beginning our ministry. We have quite a busy schedule at the outset--Lynne is "booked" for music accompaniment, and Ron has several speaking engagements in various churches, as well as some counseling sessions. Lately, we have been fighting colds, but are on the mend--pray for good health for our long, 18 hr travel flight.

For our first month we will be staying with our daughter Kristina Foster and her family, then we will be moving into a house the Lord has graciously provided--a home a missionary couple owns who will be going on deputation in the USA--So we will be "house sitting" until next May.

We appreciate your prayers and are thankful to the Lord for your support in this way. Our next "newsletter" will be sent shortly after we arrive and are somewhat settled.

Yours because of Him--- Ron & Lynne Surels      Missionaries to South Africa
