

Surels Update Mission Letter

1/06/2010

Happy New Year! We hope and pray that this year will be a great one for all (in spite of our country's continuing demise.) We are wintering in So. California in our RV, and beginning to plan for our return trip to South Africa late this summer. While here, Ron is having a complete knee joint replaced. The operation is set for Jan. 22. We appreciate your prayers for a good surgery and recovery. Our daughter Kristina and family will be near us and will be helping us out in the recovery stage (they are on deputation for this year). The Lord has blessed us in many ways this past year, and we are grateful for His leading. We look forward to His continued leading as we prepare for a longer term ministry in South Africa. We pray for continued good health and additional support. One of the Lord's blessings is the time spent with family and friends and the many who faithfully pray for us. You are always in our thoughts and prayers. >>> Phil. 1:8

PS...Because our net service is erratic, we are not always able to get through and do our e-mail. Hence it is that we have not been able to respond as frequently as we wish. Hopefully this will improve soon.

Love,
